Automated Room Lists

Upload your room lists to a secure web location, then manage them at your convenience.

More...

Event Registration can be integrated with your event's GroupMAX web site to maximize bookings in your block.

A Social Network for Your Event so guests can connect before, during and after the event.

Tracking Your Events

Event Dashboard

With your live event dashboard, you can track your event's reservations, block pick-up and pace, as well as manage your room lists in real time from any web browser.

Email Alerts

Automated email alerts make sure you have the right information, at the right time, such as a weekly pick-up report or an email alert when your block is 80% sold.

Detailed Reports

Contact Us

Dozens of reports are available, from pick-up and pace, to delegate and room list reports.
