Teams of 2-4 players will play one chip stack and alternate play over the course of the event. Each teammate must check in at their table prior to the end of registration and play at least 1 orbit around the table or the team will be disqualified. Although this is a team event, the 1 player to a hand rule will be enforced and team members can not coach or advise each other while at the table.

Players may tag in/out anytime they are not actively in a hand.

Payouts will be calculated based on the number of teams and be distributed evenly among the team

Teams of 2-4 players will play one chip stack and alternate play over the course of the event. Each teammate must check in at their table prior to the end of registration and play at least 1 orbit around the table or the team will be disqualified. Although this is a team event, the 1 player to a hand rule will be enforced and team members can not coach or advise each other while at the table.

Players may tag in/out anytime they are not actively in a hand.

Payouts will be calculated based on the number of teams and be distributed evenly among the team
